OTA announces South Extension Turnpike Homeowner Open House dates for late September

The Oklahoma Turnpike Authority announced Tuesday at its September Board meeting the dates for three Homeowner Open House events for those potentially impacted by the upcoming South Extension Turnpike in Cleveland and McClain counties.

Following several months of study, public input and initial design work, a new alignment to the west of what was proposed in 2022 will be shared with the public in a livestream event at 2 p.m. Sept. 23. Following the livestream, information about the alignment will be found at accessoklahoma.com.

“OTA’s priority is to these homeowners and property owners that we’re getting ready to affect,” said OTA Chief Engineer Trent January. “We have scheduled three homeowner open house events in the following few days after the official announcement, including a Saturday, to make it easy for them to talk with us about their particular needs and hear any details we have available.”

The Homeowner Open House events will be:

- **Sept. 24 | 5-7 p.m.**
Nancy O'Brian Center for the Performing Arts
1801 Stubbeman Ave., Norman, OK 73069
- **Sept. 27 | 2-4 p.m.**
NCED Conference Center and Hotel
2801 E. State Highway 9, Norman, OK 73071

- **Sept. 29 | 5-7 p.m.**
Noble High School, commons area
4601 E. Etowah Rd., Noble, OK 73068

The public is encouraged to watch the announcement live on OTA's [Facebook](#) page, [YouTube](#) channel or on the livestream [website](#). Links to each of these may be found at [accessoklahoma.com](#). Those with questions before and after the Sept. 23 announcement are encouraged to reach out to the hotline at 1-844-56-ACCESS or info@accessoklahoma.com.
